

ALTERNATIVE 2

WIDEN EXISTING US 219

- Widens US 219 by providing two 12-foot-wide lanes in each direction and is divided by a raised median
- Median openings with left turn lanes are provided to allow full traffic movement at major commercial entrances or exits, as well as allow for U-turning movements for vehicles
- The widening will begin just north of the I-68 interchange westbound ramp and transition back to a two-lane roadway near Old Salisbury Road
- A dedicated right-turn lane is maintained for the Pilot Travel Center
- Channelized lanes for right-turning movements are provided at the intersection of US 219 and US 40 Alternate
