

PROJECT NEEDS

Efficient Highway Operations for Development:

No-Build Traffic Information (Potential Development ADT*)		
Control Year	2015	2045
ADT	4,250	5,800 (*7,000-10,000)
%- Trucks ADT	17%	17%

Note:

- 2045 No-Build Levels of Service range from A to B (the project's P&N is not capacity)
- Total Traffic Growth over the past 20 years = 16.6%
- *Considers increase in vehicle trips due to the development of the Casselman Farm Development Site
